Active U.S. Rotary clubs and districts are provided with general liability ("GL") and directors & officers/employment practices liability ("D&O/EPL") insurance through the U.S. Rotary Club and District Liability Insurance Program ("Program"). The Program is financed by insurance assessments collected from U.S. Rotarians on the July Club Invoice.

**Note:** The Program does NOT provide coverage for bodily injury or property damage sustained by a first-party insured, such as a Rotarian or volunteer.

To report an incident or claim, please email Rotary International Risk Management.

To obtain a certificate of insurance, insurance policies and summaries, and loss control guidelines, please visit the insurance broker’s website, Gallagher Insight. Gallagher Insight can be accessed with a username and password that have been emailed to your club and district officers through annual insurance e-mailings or you can contact Rotary International Risk Management.
