Note: The 2022 District Conference regrets that due to other large events occurring during our conference, block reservations in close proximity to the conference venue are limited. Conference organizers have identified 40+ hotel and motel rooms, 79 RV slots, and 57 bed and breakfast accommodations within a short commute of the conference. Members are encouraged to make reservations based on the selected list shown above - most of which are within a half hour of conference venues - at their earliest convenience. Prices shown are valid at the time of publication, and are believed to be accurate, but are subject to change without notice.
